

Welcome to Edith Cavell Primary School

Hello!

I'm Mrs Lewis and I am your teacher. I am going to show you some of the different things you will see when you start school.

Here is our classroom door, you will come in here every morning.

Here is the cloakroom, you hang your coat up in here. There will be a peg with your name on it. We keep our PE Kit there too. These are name bears. You will have one so that you can choose your dinner with it.

This is our quiet room. We take the register in here and do our learning.

This is where the adult sits.
