

PE and Sports Grant

The government is providing additional funding of £150 million per annum for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - has been allocated to primary school head teachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but schools have been given the freedom to choose how they do this. A list of possible uses has been suggested.

Edith Cavell Lower School has decided to use the money to:

- employ external specialist coaches to provide high quality focused instruction across the school.
- employ the skills of a PE graduate to work alongside our teachers when teaching PE in order to strengthen teaching and learning in this subject across school
- subscribe to the Bedford Borough Sports Partnership packaged which provides ongoing professional development training for the PE leader, inter school competition opportunities, an in house sports competition and half a day bespoke CPD opportunity to the whole staff
- increase pupils' participation in the sports and physical activities
- provide places for pupils at after school sports clubs
- improve resources to support the development of the subject

The impact of the use of the grant will be reviewed at the end of the first year.

Sports Grant Report 2013-14

Grant received - £8,000 + £1060 = £9060	
Total number of FT pupils on role	212
Summary of Grant spending 2013-14
