

10. What support do we have for you as a parent of a child with SEND?

The class teacher is regularly available to discuss your child's progress or any concerns you may have and to share information about what is working well at home and school, so that similar strategies can be used and to cement the link between home and school.

The Inclusion Leader, Mrs Stanton is also readily available to meet with you to discuss your child's progress or any concerns/worries you may have.

All information from outside professionals will be discussed with you with the person involved directly, or where this is not possible, in a written report. Personal progress targets and provision maps will be reviewed with your involvement every term.

Homework will be adjusted as needed to your child's individual requirements.

A home-school contact book may be used to support communication with you when this has been agreed to be useful and relevant for you and your child.
