INFORMATION ABOUT THE SCHOOL

THE POST

The governors seek to appoint an inspirational, dedicated and enthusiastic teacher to join our happy hard working team and take charge of a Year 3 class for the duration of a maternity leave. The post offers the possibility of continuing professional development within a supportive environment.

The successful candidate would be expected to work closely with the Headteacher and the staff team and demonstrate they are passionate about ensuring every child has the appropriate and personalised learning opportunities to ensure that they achieve their full potential. We provide pupils with a broad and balanced curriculum, that offers creative continuity and progression for children. The new 2014 National Curriculum has been rolled out across the school and in response to these national changes at Edith Cavell we have reviewed our curriculum and revised the areas of study that the children will undertake.

In return for hard work and dedication the school offers:

- A supportive and improving working environment
- Planned professional development
- A planned induction programme
- Appreciative and responsive children
- Good standards of discipline
- Improving academic standards

THE SCHOOL AND ITS CATCHMENT AREA

Edith Cavell Primary School is a popular school that enjoys a good reputation within the community. The most recent OFSTED Inspection (July 2018) identified that 'Pupils said that Edith Cavell is the best school. They are enthusiastic about the different subjects that they study and the way teachers make learning fun and interesting. And 'Staff are proud to work at the school and are committed to providing the best environment for pupils' success'.

The school is a member of the LEAP Trust and fosters links with a number of local schools.

The school was purpose built in 1974, close to the centre of Bedford and all its amenities. The main building is well maintained and spacious providing versatile opportunities for learning for the whole school community. It has two sizable playgrounds and during the summer months the children have access to a generous school field.

The school has 280 children on roll, organised into ten classes. The pupils come from a wide variety of backgrounds and are well behaved, responsive and hardworking. Children come in to the Nursery classes in the term after their third birthday and move into the Reception classes in the September after their 4th birthday.

Under the Bedford Borough's move to a two tier education system, Edith Cavell is now a full primary school. A building project to provide additional classrooms to allow for this planned expansion was completed in May 2017. The school is moving to a capacity of 315 pupils.

We have an active Parents and Friends Association (FOEC) and parents are very supportive of the school.

PHILOSOPHY AND PRACTICE

The staff are hard working and motivated. They are committed to raising standards and are actively involved in shaping the future of the school in the following ways:

- The school is committed to a philosophy of teamwork. Whole school staff meetings are held weekly to develop school policy and curriculum. All staff are actively involved in policy decisions and implementation.
- Staff development is a high priority as we seek to provide all colleagues with appropriate developmental experiences. The school-based INSET programme is determined by the collection of individual responses and discussions with the Headteacher.

An effective whole school behaviour policy ensures that high standards of behaviour are maintained across the school. Pupils wear a uniform and positive attitudes to work are evident. These attitudes are promoted through praise and encouragement.

The school values parents as partners in their children's education and would like to see more parents willing to become involved in the life of the school.

Miss Heather Cooke joined the staff as Headteacher in April 2012. The Senior Leadership Team consists of Headteacher, Assistant Head, Inclusion Leader and a senior teacher. The staff of the school are a mixture of experienced teachers and colleagues who are relatively new to the profession.

At Edith Cavell Primary School we:

- Enjoy learning
- Believe every individual has the potential for growth

The interview is an opportunity for the staff to meet all the candidates and select the most suitable for the post. The interviewing process also gives candidates the opportunity to find out more about the school and for them to confirm that they are still firm candidates for the post. At interview any anomalies or inconsistencies in the application form will be explored.
