22<sup>nd</sup> February 2021

Dear Parents

We wish to start daily live registration sessions with Amber and Topaz class. These will commence from tomorrow Tuesday 23<sup>rd</sup> February 2021. Topaz class at 10am and Amber class at 10.30am.

This is something that is working extremely well across the rest of the school. This is the opportunity for school staff to daily touch base with the children and talk about the learning activities that can be undertaken across the day.

These sessions will be via a Google Meets link. You do not need to have a Google account to access these sessions, you just need to click on the link at the appropriate time and the Google Meet will open for you. If you have been accessing the weekly assemblies, this will work in the exact same way.

The link **does not** get renewed each day therefore, the same link is to be accessed each day at the same time.

We are aware that some families are sharing a device to access on line home learning and although we are making every effort that live sessions do not clash, it is unavoidable as we increase the number of live sessions that we deliver. If you have a clash of two children trying to access a live session at the same time, please make contact with both class teachers, in advance, to explain the clash so the children could take it in turns to access their live sessions.

Topaz registration and story link (**10am** start): <https://meet.google.com/vca-jozh-ftk>

Amber registration and Story link (**10:30am** start): <https://meet.google.com/hot-nmiq-wpa>

The links will also be emailed out via Tapestry.

If you have any concerns about these sessions, please do not hesitate to directly contact Miss Pulley and Miss Knaggs on their class email addresses.
